Policies

1. Your son or daughter will be able to miss two Huddles if needed during the school year.
 - If they are unable to attend, they need to text ISAAC SMAGLINSKI @ 330.417.3286 ASAP and let him know.
 - If more than 2 huddles have been missed, we will set up a meeting with student, parent and Isaac to determine if student leadership is a fit for them in the season and if they are able to continue to serve in the capacity.

2. Weekly

- We understand that big school projects/tests, illness or family emergencies, and an occasional sporting obligation may come up from time to time and we are ok with that. However, this needs to be the exceptions and not the rule.
- Your son or daughter needs to text Isaac and the adult leader they are serving with and let them know ASAP so we can be sure that their D-group is covered and any additional areas they were leading are covered as well.
- If your son or daughter is overly committed in other areas or is not showing up when we are counting on them to lead, we will reach out to you to see what's going on. After discussing, we will make a decision to see if it is in your son or daughter's best interest and our team's best interest if they continue on as a leader at this time.
- Our hope is that it never comes to this; however, we just want to let you know of the commitment level and the expectations out of the gate.

3. Attend the Fall and Spring Retreats and Summer Camp as leaders or Work Crew

- In order to have these life-changing trips and experiences that many of the student leaders have experienced as middle school students, it takes people serving as leaders for these trips to happen.
- We have 3 main trips that we want all middle school students to experience.

4. Living life as a Jesus Follower

- Realizing students are watching me and looking to me as an example.
- Using social media in ways that appropriate and honoring to Jesus and others. (Love God and Love People)
- Making wise choices in my character and conduct.
- We realize that no one is perfect and we all are in need of grace. We also realize that students are serving in the capacity as a leader to younger students. If situations happen to arise where the character and conduct are not in line, this will again be an opportunity for us to talk and see what is going on and decide what next steps should be.

5. Working with adult leader and other student leader to co-lead the D-group serving at NRG or FUSE is required.

Keep a copy of the above pages for your reference.
