

Best week of  
your life

Wildside

2019

**JUNE 16-21**  
**Grades 6-9**

A large pink starburst is positioned to the left of the date and grade information. At the bottom right, there are three dark blue geometric shapes: a large L-shape and two smaller L-shapes nested within it.

# Details

## WHEN?

June 16-21, 2019

## WHAT?

WildSide is a week long experience of high adventure, great friendships, and faith.

## WHERE?

We rent Round Lake Camp in Lakeville, OH and run WildSide there - It is about an hour away.

Now

## Can I invite my friends?

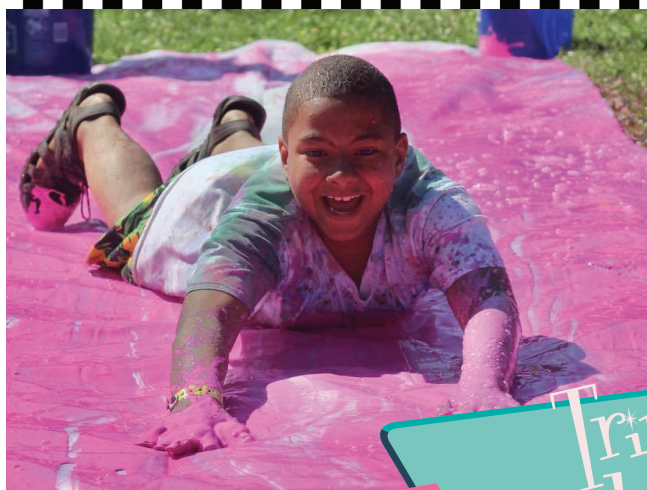

Yes, we want all of your friends to come to WildSide with us. Bring'm ALL. If they are not from RiverTree, no big deal. We don't care where they are from, or if they even go to church. WildSide is for everyone. So bring'm. The best thing you can do is sign up first. Lead by example. Then tell your friend about WildSide and also get them and their parents in touch with one of our Trip Leaders.

## What's the camp like?

Wildside is at a really nice camp. Actually, it is more like a resort. We do not stay in tents and cook over a fire. We stay in dorm rooms that are air-conditioned and have indoor plumbing. You'll get hot showers and eat really yummy food. You might wonder who will be in your room with you. Students are placed in rooms with friends they know and with leaders from RiverTree. Our leaders love students, are trained and have background clearances.

## Is there any assistance with the cost?

We will never let money stand in the way of a student going on a trip. We have funds available. We provide at least one fundraiser. If students are willing to go-for-it ...to work hard and make it happen, then we will go-for-it with them. Don't let money stand in the way, contact your trip leaders about it so we can talk.

## How much spending money do we need?

We suggest \$30 for the snack bar. That would be \$2 per day and \$18 for a Camp t-shirt. We also suggest an additional \$10-\$15 for our auction. We auction off all sorts of crazy items and experiences to raise money for ministries that change lives. So \$40-\$50 should be enough. You can bring what you'd like. FYI - all money gets handed in at the beginning of camp for safe keeping. Campers get an account - that way you don't have to carry cash around with you! Money that does not get used, does NOT get refunded. So make sure you spend what you bring!

## What about medications?

If you take some kind of medication, don't let that stress you out, you are not the only one. Many students at WildSide take medication. All medication, including over the counter stuff must be handed in upon departure. All meds are distributed by our camp nurse.

Each campus has a trip leader. If you have questions please feel free to contact them.
