

UNCHARTED

MARCH 2021 UPDATE

RiverTree Lake family,

God is so good! He is continuing to stretch all of us beyond our borders, beyond our walls, and beyond ourselves. Even in this uncertain season we're in, so many great things are happening at RiverTree Lake. So thank you for faithfully and sacrificially giving in this Uncharted season!

As we continue to boldly trust God with faith beyond the horizon, I encourage you to continually pray about your role in Uncharted. God wants to use YOU to make a difference. He has a job for you. Will you choose to be faithful with the gifts He has given you and use them to spread hope and love to our community?

Choose to put God first in all things - boldly trusting Him in faith beyond the horizon!

Sincerely,

Josh Little

BEYOND OUR WALLS

One of the exciting parts of this Uncharted season for our church is

the purchase and renovation of 910 Sunnyside in Hartville. This facility will allow us to expand our influence as a church throughout our community.

This quarter, the demolition phase of construction was completed and renovations are in full swing. This includes the completion of underground plumbing, installation of masonry and foundation block to both the north and south building additions, and metal stud framing in the existing building for the Welcome Center, restrooms, classrooms, and kitchenette. It is certainly exciting to see the progress being made each day!

Please continue to pray for all the parts and pieces of this process as we seek to go Beyond Our Walls. If you have any questions, please email me at littlej@rivertreechristian.com.

GIVING TO DATE

BEYOND OURSELVES

God has done exciting things in and through RiverTree Lake this quarter. Over the holidays we partnered

with several organizations to share God's love with our neighbors—both locally and globally. We partnered with the Lake Township FISH and other area churches to help provide Thanksgiving meals for 150 families right here in our community, filled 75 stockings for children in foster care in Stark County in collaboration with Project Kare, and sent 96 shoeboxes filled with goodies to children around the globe through Operation Christmas Child. With your help we also provided 2 shopping carts full of non-perishable food items to help stock the shelves at the FISH food pantry through our "Souper Bowl" food drive.

YOUR PERSONAL UPDATE

We encourage you to go into Uncharted waters of surrender, faith and generosity. It has the power to change our church and our community. And as you listen to the Lord's leading, it can change you too, as you experience expanded generosity.
