

# UNCHARTED

## DECEMBER 2020 UPDATE

RiverTree Lake family,

When we chose the name, Uncharted, we had no idea how prophetic it would be for the year 2020. We just knew God was stirring in us a desire to go to places of Uncharted generosity, trust and faith in Him. Throughout this process I have been reminded that my timing doesn't always align with God's timing. But I have also been reminded that God has a plan and a future for us as He continues to be faithful and provide in amazing ways.

I am so grateful for those of you who have joined my wife, Becky, and I in faithfully and sacrificially giving in a season of such uncertainty. The sacrifices that you are making to invest in God's Kingdom will have dividends far beyond what we can see right now. And I would just encourage you to remain faithful. The future God has in store for RiverTree Lake is bright. And I believe that so many lives, in Lake Township and beyond, will be impacted by God's grace through His church.

Sincerely,

Josh Little  
Pastor, RiverTree Lake

## BEYOND OURSELVES

God has done exciting things in and through RiverTree Lake this fall. Our children and student ministry

teams were excited to re-gather in person. We celebrated new life as 3 people were baptized into Christ! We enjoyed hosting a balloon glow at our future home and continued that momentum with our first drive-thru Pumpkin Patch at our Sunnyside location. This enabled us to share God's love with our new neighbors and we also resourced several families to do the same by equipping them to host their own mini-versions of Pumpkin Patch in their neighborhoods. Our staff and volunteers have continued training with GentleBrook as we look forward to our partnership with them.

## BEYOND OUR WALLS

One of the exciting parts of this Uncharted season for

our church is the purchase and renovation of 910 Sunnyside in Hartville. This facility will allow us to expand our influence as a church throughout our community.

As a result of the global pandemic, we have faced some unforeseen obstacles with financing and the beginning of construction at our future home, 910 Sunnyside Street. We are thrilled to report that as of the beginning of October, the demolition phase of construction has begun! It is certainly exciting to drive by and see the progress being made each day.

Please continue to pray for all the parts and pieces of this process as we seek to go Beyond Our Walls. If you have any questions, please email me at [littlej@rivertreechristian.com](mailto:littlej@rivertreechristian.com).
