

SEPTEMBER Welcome

SUNDAY SERIES

THE SEVEN LETTERS / Through September 15

The book of Revelation begins with seven letters to seven churches. Filled with words of encouragement and perseverance mixed with reprimand and repentance, the letters also give assurance of salvation given by our Savior. This seven-week series explores who the recipients of these letters are and what spiritual significance it has for our church today as we lead up to our three-year celebration.

CAN YOU HEAR ME NOW? / September 22- October 13

We're urged to select the best phone network to assure that we will have strong signal reception no matter where we are. Yet, we find ourselves breaking up and dropping calls despite those promises of great signal strength. God's signal to His people remains strong and constant. His call is loud and clear and He is never out of range. Is it possible that our own position interferes with the connection and our own distractions cause the disconnection? God is asking "Can you hear me now"?
