

New Here?

Welcome! We're glad you're here! Look for one of our volunteers at Family Check-In. They are there to help you get your child(ren) name tag(s) and find their classroom. Saturday Family Check-in is located in the West (blue) hall. Sunday Family Check-in is located in the Welcome Center. While your child is in our care they will be in THE WORD, IN RELATIONSHIP, IN PRAYER so they learn how to GO be a missionary in their neighborhood, school and teams.

Church and Home Partnership

One of our core values is to partner with parents as primary disciple makers for their family. We offer events and resources to help you with this role. Don't miss our Family Service called Go! Sunday designed for your whole family offered on the 3RD Sunday of each month at 11AM in the Unplugged Venue.

An interactive family-style service in the Unplugged Venue for all ages. **COME** together to worship and **LEARN** how to be on mission as a family so you can **GO** into your neighborhoods, schools, and teams.

There are three weekends a year that TreeHouse Kidz classes go outside and play. It's a time where our volunteer team can have intentional time to build relationships with the kids in their class and have fun with them!

Accepting Jesus is the most important decision your child will ever make. Join us for this fun family event that will equip you and your child to walk through the foundations of their spiritual journey. We'll cover scripture, baptism and communion in this interactive experience. Questions? Email Stan Frankart frankarts@rivertreechristian.com

This is a special time for your family to dedicate your child to God and commit that you will raise your child in a God-centered home. Our goal is to partner with parents in this life-long process. At least one parent must attend one of the required parent meetings before participating in the dedication services.
