

RE FUEL

MIDDLE SCHOOL RETREAT

FEBRUARY 15-17, 2019

What EXACTLY is Refuel?

Refuel is all about "filling your tank." This is a weekend away designed to help Middle School students, grades 5-8, to grow in their faith.

It's a chance to get away for 48-hours and really focus on following Christ. Let's face it, life is crazy - it drains us and often our tank is just empty. Refuel is meant to give your Middle School Students a chance to slow down enough to be refueled in his/her faith.
