**WE WANT STUDENTS TO REALLY BEGIN TO VIEW THE LIFE THAT THEY HAVE BEEN GIVEN AS THEIR MISSION.**

→ Bless, Eat, and Pray is included in the way we do discipleship in Student Ministries. At SENT, we partner with multiple non-profit, schools, and families when we serve.

→ We encourage students to get involved in leading through our Student Ministry Leadership program or serving in Tree House Kidz. We believe they have the opportunity to make an impact now!

8. **STAFF & VOLUNTEERS**

Our incredible staff and volunteers care about your student!

Take some time soon to meet your students' leaders and get a "D-Group" leader card from them!

6. **LIFE CHANGING**

We value sharing life changing trips with students

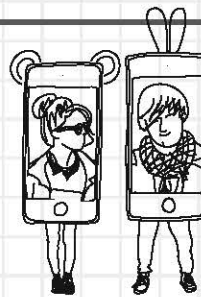

→ We partner with the Eli House Mission Trip to Mexico over Spring Break

→ Students have the opportunity to attend Student Life Camp this summer in Daytona Beach, FL

→ Every Fall and Spring students have an opportunities to participate in retreats

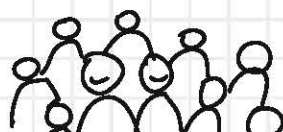

7. **WE TAKE JESUS SERIOUSLY, NOT OURSELVES.**

We may have more than our share of crazy fun, but we will always be about transforming lives and producing authentic followers of Jesus!

9. *Don't Come Alone*

Students who actively bring friends get more from their SENT Experience!
