- Spending \$ - In labeled envelope with name and have this ready to turn in at check in. DO NOT pack this in your luggage! Cash or Checks (payable to RiverTree). Each student will have an "account" with their funds deducted as purchases are made. How much spending money do we need? We suggest \$60-70 total although whatever you decide is totally fine. See below:
 - Snack Bar \$:** At the snack bar we will serve candy, pop, bottle water, sports drinks, hot dogs, nachos and some other snacks. All food items are \$1-2 each so a \$3 per day allotment for a drink and snack is a good indicator and comes out of your spending money above.
 - Apparel \$:** Available at the snack bar are 2020 Camp extras. T-shirts, tank tops and hats are \$18 each. Sunglasses and string bags are \$5 each. Make and take crafts for \$1 each. This comes out of your spending money account above.
 - Auction \$:** This has become one of the highlights of camp each year. We suggest that students plan \$20-25 for the auction. This comes out of your spending money above. This is an annual highlight and a fantastic way to have fun and also change lives. We will auction off all sorts of fun items that students can bid on individually, as a group or as a cabin. It is a lot of fun and students love bidding on some of the crazy stuff and experiences we offer. Each year we donate the proceeds of the auction to bless a non-profit ministry.
- Prescription & Over the Counter Medications - These need to be in their original bottles and placed in a Ziplock baggie with student's name on it. These will be turned in during check-in before we get on the bus so DO NOT PACK MEDS in luggage. The Camp Nurse will take care of it from there.
