

Illness Credit Request

Illness Credit – School Year

- Students enrolled to attend full days, who begin attending the first day of the school year and continue enrollment through the last day of the school year will receive three days of illness credit.
- Illness credit will be given for the following situations:
 - Child hospital stays, surgeries/recoveries and physician diagnosed communicable diseases only.
- No illness credits issued during the summer program.
- No illness credits for part day students.
- No illness credits for doctor’s appointments.
- Illness credits do not carry over.

To receive credit, complete this form and attach a signed note from the examining physician listing the communicable disease diagnosis, date of exam, and/or hospital stay/ surgery dates. Return completed form to the school office.
