Coming in August: Our annual School Prayer Event and Church Picnic  
**FOR4614 Summer Challenge**

What would it look like if our church intentionally created more margin this summer to build bridges with our neighbors and be actively engaged with the people around us? As we thought through the summer at RTCF, we felt the most significant plan we could make this summer would be to make room to reconnect with the people in our worlds. So instead of creating more activities for us to do, we decided to challenge our church to live FOR4614 in the months of June and July.

**This summer, we want to challenge our church to live FOR4614 by intentionally doing one of these four things everyday:**

BLESS - Pick four people that you want to intentionally bless this summer through encouragement, service, or giving gifts:

1.	2.
3.	4.

EAT - Pick two people that you haven't seen in a while and want to reconnect with and try to have a meal or coffee with them.

1.	2.
----	----

LEARN - Pick one of the resources below and commit to learning of Jesus this summer (Bonus points if your do this with other people!):

- *The Gospel of John*
- *The Art of Neighboring* by Jay Pathak and Dave Runyon
- *Life Without Lack* by Dallas Willard

JOIN - Name one thing that you are convinced Jesus is asking you to do and do it:
