NEW SERMON SERIES

Family 30 / May 5-26 Often in our culture of the busy and mundane, we lose sight of the priority and importance of cultivating strong families. This series dives into common issues facing families and offers Biblical principles that are practical and attainable. We will discover how we can change the atmosphere of our homes and nourish a thriving family that God uses to accomplish His mission in the world.

Best Summer Ever / June 2-30 Nothing beats Summer! It's a great time with neighbors, friends and family, vacationing, and grilling out. It's also a great time to love others and share the goodness that God has given us. Make this the best summer ever by living life to the fullest, serving others, and pursuing God like never before.

TreeHouse Kidz

Birth-Grade 4

Preschool/Kindergarten: God's Wonderful Gift

God's Wonderful Gift - In the lesson "God's Wonderful Gift," kids age three to five will learn about the Holy Spirit, the gift that Jesus gave to the disciples (and us) after His resurrection.

Elementary: Family- God is the One who puts families together and love is the glue that holds families together. Family is not just the biological connections of people with your same family name. Family is the close-knit community of those who love each other. Sometimes it's the people who we live closest with that we forget to treat well. Jesus taught us how to treat others in his teaching on a mountainside. We will take those visual pictures and apply them to how a Christian family should work.
