TreeHouse Kidz

Birth-Grade 4

Preschool/Kindergarten: Stones, Slings and Giant Things

A heart that matches God's heart is ready to do what is good! But how do you know if your heart matches God's heart? Get to know God by reading the Bible, singing to God, and praying. In this unit, we'll look at the story of David and Goliath.

Elementary: Purpose-Everyone winds up somewhere, but few get there on purpose! This series encourages children to follow the path God has prepared for them. Each week of this four-part series focuses on one aspect of God-given purpose that will bring God glory. Children will think about the things they are good at, the things they care about, and the experiences they have been through. Kids will better understand who they are, which in turn better prepares them to submit to God and walk in the purpose He has intended for them.
